IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms, or in certain cases heat alarms, installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes residential premises, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A, built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation, within the meaning of the *Home Building Act 1989*, Part 8, Division 1A. In particular, a purchaser should—

- (a) search the Register required to be maintained under the *Home Building Act 1989*, Part 8, Division 1A, and
- (b) ask the relevant local council whether it holds records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation, including areas in which residential premises have been identified as containing loose-fill asbestos insulation, contact NSW Fair Trading.

Cooling off period (purchaser's rights)

- This is the statement required by the *Conveyancing Act 1919*, section 66X. This statement applies to a contract for the sale of residential property.
- 2 EXCEPT in the circumstances listed in paragraph 3, the purchaser may rescind the contract before 5pm on—
 - (a) for an off the plan contract—the tenth business day after the day on which the contract was made, or
 - (b) in any other case—the fifth business day after the day on which the contract was made.
- 3 There is NO COOLING OFF PERIOD—
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor, or the vendor's solicitor or agent, a certificate that complies with the Act, section 66W, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under the Act, section 66ZG.
- A purchaser exercising the right to cool off by rescinding the contract forfeits 0.25% of the purchase price of the property to the vendor.
- The vendor is entitled to recover the forfeited amount from an amount paid by the purchaser as a deposit under the contract. The purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property and Stock Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group NSW Department of Education

Australian Taxation Office NSW Fair Trading

Council Owner of adjoining land

County Council Privacy

Department of Planning and Environment Public Works Advisory

Department of Primary Industries Subsidence Advisory NSW

Electricity and gas

Land and Housing Corporation

Telecommunications

Local Land Services Water, sewerage or drainage authority

If you think that any of these matters affects the property, tell your solicitor.

- 2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
- 3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
- 4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
- 5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
- 6. Most purchasers will have to pay transfer duty (and, sometimes, if the purchaser is not an Australian citizen, surcharge purchaser duty) on this contract. Some purchasers may be eligible to choose to pay first home buyer choice property tax instead of transfer duty. If a payment is not made on time, interest and penalties may be incurred.
- 7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
- 8. The purchaser should arrange insurance as appropriate.
- 9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
- 10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
- 11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
- 12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

2 Deposit and other payments before completion

- 2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.
- 2.2 Normally, the purchaser must pay the deposit on the making of this contract, and this time is essential.
- 2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.
- 2.4 The purchaser can pay any of the deposit by
 - 2.4.1 giving cash (up to \$2,000) to the *depositholder*;
 - 2.4.2 unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*; or
 - 2.4.3 electronic funds transfer to the *depositholder*'s nominated account and, if requested by the vendor or the *depositholder*, providing evidence of that transfer.
- 2.5 The vendor can terminate if
 - 2.5.1 any of the deposit is not paid on time;
 - 2.5.2 a cheque for any of the deposit is not honoured on presentation; or
 - 2.5.3 a payment under clause 2.4.3 is not received in the *depositholder's* nominated account by 5.00 pm on the third *business day* after the time for payment.

This right to terminate is lost as soon as the deposit is paid in full.

- 2.6 If the vendor accepts a *deposit-bond* for the deposit, clauses 2.1 to 2.5 do not apply.
- 2.7 If the vendor accepts a *deposit-bond* for part of the deposit, clauses 2.1 to 2.5 apply only to the balance.
- 2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.
- 2.9 If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Deposit-bond

- 3.1 This clause applies only if the vendor accepts a *deposit-bond* for the deposit (or part of it).
- 3.2 The purchaser must provide the *deposit-bond* to the vendor's *solicitor* (or if no solicitor the *depositholder*) at or before the making of this contract and this time is essential.
- 3.3 If the *deposit-bond* has an expiry date and completion does not occur by the date which is 14 days before the expiry date, the purchaser must *serve* a replacement *deposit-bond* at least 7 days before the expiry date. The time for service is essential.
- 3.4 The vendor must approve a replacement deposit-bond if
 - it is from the same issuer and for the same amount as the earlier *deposit-bond;* and
 - 3.4.2 it has an expiry date at least three months after its date of issue.
- 3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to terminate. The right to terminate is lost as soon as
 - 3.5.1 the purchaser serves a replacement deposit-bond; or
 - 3.5.2 the deposit is paid in full under clause 2.
- 3.6 Clauses 3.3 and 3.4 can operate more than once.

- 3.7 If the purchaser serves a replacement deposit-bond, the vendor must serve the earlier deposit-bond.
- 3.8 The amount of any deposit-bond does not form part of the price for the purposes of clause 16.5.
- 3.9 The vendor must give the purchaser any original deposit-bond
 - 3.9.1 on completion; or
 - 3.9.2 if this contract is *rescinded*.
- 3.10 If this contract is *terminated* by the vendor
 - 3.10.1 normally, the vendor can immediately demand payment from the issuer of the deposit-bond; or
 - 3.10.2 if the purchaser *serves* prior to *termination* a notice disputing the vendor's right to *terminate*, the vendor must forward any original *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.
- 3.11 If this contract is *terminated* by the purchaser
 - 3.11.1 normally, the vendor must give the purchaser any original deposit-bond; or
 - 3.11.2 if the vendor *serves* prior to *termination* a notice disputing the purchaser's right to *terminate*, the vendor must forward any original *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.

4 Electronic transaction

- 4.1 This Conveyancing Transaction is to be conducted as an electronic transaction unless
 - 4.1.1 the contract says this transaction is a *manual transaction*, giving the reason, or
 - 4.1.2 a *party serves* a notice stating why the transaction is a *manual transaction*, in which case the *parties* do not have to complete earlier than 14 days after *service* of the notice, and clause 21.3 does not apply to this provision,

and in both cases clause 30 applies.

- 4.2 If, because of clause 4.1.2, this Conveyancing Transaction is to be conducted as a manual transaction
 - 4.2.1 each party must
 - bear equally any disbursements or fees; and
 - otherwise bear that *party's* own costs;

incurred because this *Conveyancing Transaction* was to be conducted as an *electronic transaction*; and

- 4.2.2 if a *party* has paid all of a disbursement or fee which, by reason of this clause, is to be borne equally by the *parties*, that amount must be adjusted under clause 14.
- 4.3 The parties must conduct the electronic transaction
 - 4.3.1 in accordance with the *participation rules* and the *ECNL*; and
 - 4.3.2 using the nominated *ELN*, unless the *parties* otherwise agree. This clause 4.3.2 does not prevent a *party* using an *ELN* which can interoperate with the nominated *ELN*.
- 4.4 A party must pay the fees and charges payable by that party to the ELNO and the Land Registry.
- 4.5 *Normally,* the vendor must *within* 7 days of the contract date create and *populate* an *Electronic Workspace* with *title data* and the date for completion, and invite the purchaser to the *Electronic Workspace*.
- 4.6 If the vendor has not created an *Electronic Workspace* in accordance with clause 4.5, the purchaser may create and *populate* an *Electronic Workspace* and, if it does so, the purchaser must invite the vendor to the *Electronic Workspace*.
- 4.7 The *parties* must, as applicable to their role in the *Conveyancing Transaction* and the steps taken under clauses 4.5 or 4.6
 - 4.7.1 promptly join the *Electronic Workspace* after receipt of an invitation;
 - 4.7.2 create and populate an electronic transfer,
 - 4.7.3 invite any discharging mortgagee or incoming mortgagee to join the Electronic Workspace; and
 - 4.7.4 populate the Electronic Workspace with a nominated completion time.
- 4.8 If the transferee in the *electronic transfer* is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for that transfer.
- 4.9 The vendor can require the purchaser to include a covenant or easement in the *electronic transfer* only if this contract contains the wording of the proposed covenant or easement, and a description of the land burdened and benefited.
- 4.10 If the purchaser must make a *GSTRW payment* or an *FRCGW remittance*, the purchaser must *populate* the *Electronic Workspace* with the payment details for the *GSTRW payment* or *FRCGW remittance* payable to the Deputy Commissioner of Taxation at least 2 *business days* before the date for completion.
- 4.11 Before completion, the parties must ensure that
 - 4.11.1 all electronic documents which a party must Digitally Sign to complete the electronic transaction are populated and Digitally Signed;
 - 4.11.2 all certifications required by the ECNL are properly given; and
 - 4.11.3 they do everything else in the *Electronic Workspace* which that *party* must do to enable the *electronic transaction* to proceed to completion.
- 4.12 If the computer systems of any of the *Land Registry*, the *ELNO*, Revenue NSW or the Reserve Bank of Australia are inoperative for any reason at the *completion time* agreed by the *parties*, a failure to complete this contract for that reason is not a default under this contract on the part of either party.

- 4.13 If the computer systems of the *Land Registry* are inoperative for any reason at the *completion time* agreed by the *parties*, and the *parties* choose that financial settlement is to occur despite this, then on financial settlement occurring
 - 4.13.1 all electronic documents Digitally Signed by the vendor and any discharge of mortgage, withdrawal of caveat or other electronic document forming part of the Lodgment Case for the electronic transaction are taken to have been unconditionally and irrevocably delivered to the purchaser or the purchaser's mortgagee at the time of financial settlement together with the right to deal with the land; and
 - 4.13.2 the vendor is taken to have no legal or equitable interest in the *property*.
- 4.14 If the *parties* do not agree about the delivery before completion of one or more documents or things that cannot be delivered through the *Electronic Workspace*, the *party* required to deliver the documents or things
 - 4.14.1 holds them on completion in escrow for the benefit of; and
 - 4.14.2 must immediately after completion deliver the documents or things to, or as directed by; the *party* entitled to them.

5 Requisitions

- 5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.
- 5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it
 - 5.2.1 if it arises out of this contract or it is a general question about the *property* or title *within* 21 days after the contract date;
 - 5.2.2 if it arises out of anything *served* by the vendor *within* 21 days after the later of the contract date and that *service*; and
 - 5.2.3 in any other case within a reasonable time.

6 Error or misdescription

- 6.1 *Normally*, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).
- 6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion —

- 7.1 the vendor can rescind if in the case of claims that are not claims for delay
 - 7.1.1 the total amount claimed exceeds 5% of the price:
 - 7.1.2 the vendor *serves* notice of intention to *rescind*; and
 - 7.1.3 the purchaser does not serve notice waiving the claims within 14 days after that service; and
- 7.2 if the vendor does not rescind, the parties must complete and if this contract is completed
 - 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
 - 7.2.2 the amount held is to be invested in accordance with clause 2.9;

- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).

- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.

- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment or payment for an expense of another party or pay an expense payable by or to a third party (for example, under clauses 14 or 20.7)
 - 13.3.1 the party must adjust or pay on completion any GST added to or included in the expense; but
 - the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and
 - 13.3.3 if the adjustment or payment under this contract is consideration for a taxable supply, an amount for GST must be added at the *GST rate*.

- 13.7 If this contract says the sale is not a taxable supply
 - 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
 - the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of
 - a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if 13.8.1 this sale is not a taxable supply in full; or
 - 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

 - 25.7.2 clause 25.7.1 does not apply to a document which is the good root of title; and
 - 25.7.3 the vendor does not have to provide an abstract if this contract contains a delimitation plan (whether in registrable form or not).
- 25.8 On completion the vendor must give the purchaser any document of title that relates only to the property.
- 25.9 If on completion the vendor has possession or control of a *document of title* that relates also to other property, the vendor must produce it as and where necessary.
- 25.10 The vendor must give a proper covenant to produce where relevant.
- 25.11 The vendor does not have to produce or covenant to produce a document that is not in the possession of the vendor or a mortgagee.
- 25.12 If the vendor is unable to produce an original document in the chain of title, the purchaser will accept a

- 27.4 If consent is refused, either party can rescind.

- 27.6 If consent is not given or refused
 - 27.6.1 *within* 42 days after the purchaser *serves* the purchaser's part of the application, the purchaser can *rescind*; or

- 29.3 If this contract says the provision is for the benefit of a *party*, then it benefits only that *party*.
- 29.4 If anything is necessary to make the event happen, each *party* must do whatever is reasonably necessary to cause the event to happen.

 - 30.6.1 if a special completion address is stated in this contract that address; or

 - 30.10.1 the amount is to be treated as if it were paid; and
 - 30.10.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).

 - 30.13.1 produce on completion a *settlement cheque* for the *FRCGW remittance* payable to the Deputy Commissioner of Taxation;

 - 31.1.1 the sale is not an excluded transaction within the meaning of s14-215 of Schedule 1 to the *TA Act*; and
 - 31.1.2 a clearance certificate in respect of every vendor is not attached to this contract.
- 31.2 If the vendor *serves* any *clearance certificate* or *variation*, the purchaser does not have to complete earlier than 5 *business days* after that *service* and clause 21.3 does not apply to this provision.
- The purchaser must at least 2 *business days* before the date for completion, *serve* evidence of submission of a purchaser payment notification to the Australian Taxation Office by the purchaser or, if a direction under either clause 4.8 or clause 30.4 has been given, by the transferee named in the transfer the subject of that direction.
- 31.4 The vendor cannot refuse to complete if the purchaser complies with clause 31.3 and, as applicable, clauses 4.10 or 30.13.
- 31.5 If the vendor *serves* in respect of every vendor either a *clearance certificate* or a *variation* to 0.00 percent, clauses 31.3 and 31.4 do not apply.

 - (b) The special conditions in this annexure prevail over the printed form of Contract.

WARRANTIES & REPRESENTATIONS

35. The purchaser does not rely in this Contract upon any warranty or representation made by the vendor or the vendor's agent except such as are expressly provided for in this Contract. The purchaser has relied entirely on the purchaser's own enquiries and inspections of the property.

PURCHASER ACKNOWLEDGEMENTS

- 36.1 The Purchaser acknowledges that they are purchasing the property:
 - (a) In its present condition and state of repair;
 - (b) Subject to all defects latent and patent;
 - (c) Subject to any infestations and dilapidation;
 - (d) Subject to all existing water, sewerage, drainage and plumbing services and connections in respect of the property; and
 - (e) Subject to any non-compliance, that is disclosed herein, with the Local Government Act or any Ordinance under that Act in respect of any building on the land.
- 36.2 The purchaser acknowledges that the vendor does not in any way warrant the use to which the property may be put and the purchaser is satisfied as to the requirements of all responsible authorities in relation to the use of the property for any and all purposes. In particular the use of the property by the vendor does not of itself mean that such use is a permitted use.

RELEASE OF DEPOSIT

37. Notwithstanding any provision to the contrary herein, the purchaser acknowledges and agrees that the vendor may require the deposit paid herein in whole or part in order to purchase other real estate, pay an accommodation bond or attend to payment of stamp duty in connection with the purchaser of other real estate. The purchaser accordingly authorises release of the deposit to the vendor in whole or part for such purpose. The vendor will ensure that such of the deposit released is retained in a solicitor's or real estate agents trust account pending completion of this contract.

INTRODUCTION BY REAL ESTATE AGENT

38. The purchaser warrants that the purchaser was not introduced to the vendor or the property by any Real Estate Agent other than the agent (if any) named on the front page and the

purchaser indemnifies the vendor (and if more than one each of them) against any claim for commission which might be made by any other agent resulting from an introduction which the purchaser has not disclosed forming a breach of such warranty and against all costs and expenses incidental to defending any such claim. It is agreed that these indemnities shall be continuing indemnities not merging on completion.

NOTICE TO COMPLETE

39. For the purpose of Clause 15, it is agreed that any Notice to Complete may require completion within a period of not less than 14 days from the date of service of the Notice.

It is agreed that this amount is a genuine preestimate of the vendor's loss of interest for the purchase money and liability for rates and outgoings.
 - (b) Where the provisions of paragraph (a) hereof apply the Purchaser must also pay to the vendor on completion the sum of Three hundred and thirty dollars (\$330.00) to cover the vendor's legal costs and other expenses incurred as a consequence of the delay and it is agreed that sum is a genuine pre-estimate of those additional expenses which must be allowed by the purchaser as an additional adjustment on completion to the vendor.

DIRECTOR'S GUARANTEE

41. If the Purchaser is a company, it is an essential provision of this contract that the director(s) of such company jointly and severally guarantee to the vendor the due and punctual performance and observance by the purchaser of its obligations under the contract and indemnify and keep indemnified the vendor against all loses, damages, liabilities, costs and expenses accruing to the vendor resulting or arising from any of the obligations on its part to be performed or observed.

ALTERATIONS TO CONTRACT

42. Each party hereto authorises his, her or their solicitor or any employee of that solicitor to make alterations to this Contract as agreed to between the parties, including the addition of annexures after execution, up until the date of this Contract. Any such alterations shall be binding upon the party deemed hereby to have authorised the same and any annexure so added shall form part of this Contract as if the same was annexed prior to the Contract being executed.

ERRORS IN ADJUSTMENT OF OUTGOINGS

43. Each party to this Contract agrees that if on completion any apportionment of outgoings required to be made under this Contract is overlooked or incorrectly calculated, any party upon being so requested by the other party shall make the correct calculation and pay such amount to the other party as shown by such calculation to be payable within seven business days of receipt of such notice of the error provided that such notice is issued within two months from the date of completion after which no party shall be entitled to serve notice on the other pursuant to this clause. This clause shall not merge on completion.

- on the same instrument and in the case of electronic signature, as if they were signed by
